

FACE 2 FACE

A Series of Virtual Supports for CPS Parents During the COVID-19 Health Crisis

As our district continues to navigate through the COVID-19 health crisis, we want our families and students to know we are here to support them.

Family and Community Engagement in Education has launched a series of virtual workshops to help families navigate this new normal. Virtual offerings will be curated by experts and include various topics in the following areas:

- Academics
- Arts and meditation
- Socio-emotional support
- Technology assistance
- Direct access to experts from the field

Algunos talleres estarán disponibles en español.
